

Remarks on Board Barque Tamenlane N.B. 1865
October Friday 6th

This day begins with baffin winds 10
calm & blind half the time & light was
seen point of the compass the ship trying to
star & W. M. & last part the same the
watch employed in ship duty fire sails
in right ship hals 10th this day

No Ob To Day

Saturday 7th

First part of this day begins with baffin
winds & rainy & quality in blackfish board
the Lark boat & chase them two hours
but could not get fast M. & last part
light breeze from the S.W. ship heading
N. & E. at 10th M. saw sperm whale
of the Lark boat at 8th board the Lark
boat but it began to rain & I never
saw it rain harder in my life it
rained two hours & very thick weather
never saw them & gave up at 9th M.
lame on board & steared & two hours
but saw nothing & then steared & it
rained all day like the first three sails
in right last part saw blackfish
but I did not chase them for it
rained too hard nothing but hard luck
this day

No Ob To Day
