Saw Bow Heads

Went to the beach at 10 AM. Found many bow heads of seals. Some were fresh, some were old. The seals were of various sizes. Some were about 10 feet long, some were about 15 feet long. The bow heads were of various shapes. Some were round, some were oval. The bow heads were of various colors. Some were white, some were brown. The bow heads were of various textures. Some were smooth, some were rough. The bow heads were of various sizes. Some were about 10 feet long, some were about 15 feet long. The bow heads were of various shapes. Some were round, some were oval. The bow heads were of various colors. Some were white, some were brown. The bow heads were of various textures. Some were smooth, some were rough.
