SUN. MAY 14, 1893

Wea.

XX  
 Fine pleasant weather  
 Ship going around in  
 loose ice lowered twice for  
 Bow Heads but never saw  
 them again saw Belvedere  
 & Karluk take two whales each  
 Narvach struck and lost  
 a whale. Nauyas bears  
 N.E. and in sight.

No Obv.  
 hope to get a whale tomorrow

Ther.

MON. MAY 15, 1893

Wea.

XX  
 To day commenced  
 with fine weather  
 ship in close ice,  
 gradually coming  
 in thick. Eventually turned  
 in to a thick snow storm  
 fresh breeze from North  
 ship heading to N.W.  
 at 2 P.M. saw ship to  
 N.E. saw three Bow Heads  
 but ice so bad could not  
 go out on ice or lower  
 the boats. saw the three  
 alanners to West &  
 S.W.

No Obv.
