SAT. MAY 20, 1893

Wea.

fine weather wind
has been working
through the ice to
Marshall & Karluk
in company with
the sailing vessels.

61° 20 N
179° 36 E

Ther.

SUN. MAY 21, 1893

Wea.

So day has been a gale
from N. + S ship stuck
in ice. Capt. Whitehead &
Ming came on board
to dinner at 1 P.M.
Ice closed up a little
cleared about 2 miles
and stuck again.
The other two steamers
close by.

no drift
