

Ther.

TUES. AUG. 8, 1893

Wea.

Ice loosened up had
to flee - a little way. Wind
still from NE

Ther.

WED. AUG. 9, 1893

Wea.

Ice slackened and strong
current setting SW. Let go
from the ice at 2-30 AM
Came down to Point
Barrow Area. Thrasher
Mr. D. Hume and Belays
I anchored at 6-30 AM
26 sail anchored here
An Officer of Bear made
me a visit; strong
breeze from NE all day.
