

Ther.

SUN. AUG. 20, 1893

Wea.

Let-go from Ice at-
 11 AM steamed E-East-
 as far as Martin Point-
 found that the Ice makes
 on to the land came back
 about 10 miles found a
 hole through. Came out-
 through the ground Ice
 in to the clear water
 good breeze from NE
 and heavy sea running
 took in fore & aft sail
 and steamed head to-
 wind and sea, some
 thick Orca in company
 Cours. N. E. by N. 1/2 N.

Ther.

MON. AUG. 21, 1893

Wea.

Ship under steam head
 to wind & sea.

at 9 PM spoke St-
 Newport-Capt Porter
 he being one of the four
 steamers that wintered
 at Herschel Island
 he has 20 Whales
 Narwhal 40 "
 Balbona 34 "
 Grampus 29 "
