

Ther. THURS. SEPT. 7, 1893 Wea.

13-
Took at Bow Head
Light - Air & Calms
boats down about all
day at 4 P.M. started
boat - struck got whale
Cut in set watch at 7 P.M.
5 - 2 hrs in sight

Ther. FRI. SEPT. 8, 1893 Wea.

~~one we did not look~~
Took at Bow Head 16

Fresh breeze from NE
came for squalls saw
quite a number of
whales got one took
off - the head let body go
at 4 P.M. struck another
Jrons crew but had
plenty of chance to kill
him before the Jrons
crew, saw Mary D. Hume
take two whales Newport
and Bealena each take
one.
