

16 years old

Ther. SUN. OCT. 1, 1893 Wea.
Thirty-two years ago to day
started on my first voyage
to sea 1861

So day has been jaffeling
winds from northward & on
ship under sail on opposite
lacks off & on the ice at 12 m
got steam and steamed
to north until five P m
made an ice course came
to plenty of young ice
saw 16 sail at 12 m
Herald ice was 8 1/2 E
25 miles at five P m
think my position is

71. 47 N
173. 30 W.

saw Orca & Thrasher
Belvedere & Huratio
clear weather most of
the day very cold.

Ther. MON. OCT. 2, 1893 Wea.

Breeze from N. E. W
thick & snowing all day ship
on opposite lacks spoke
Orca saw 6 sail, considerable
young ice.
