TUES. OCT. 17, 1893

Wea.

To day begins with a
 fresh gale from westward
 at daylight. East Cape 1.75 S
 15 miles could not get out
 by Cape East. Ice made
 across. to big Diamond
 Island. Kept off and came
 out to Eastward wind
 gradually moderating
 to a moderate breeze
 and hauled to NW clear
 weather passed to East
 of Fairway Rock at 1045
 Kind Ice at 2-20 P.M.
 Course S. E. by S, 1/2 S, all
 sail & steam blew
 away lower fore top sail
 last night. bent another
 to day, got a but found
 a broken correct
