

[illegible]

On Sat. the Boat the quince of night
 with the 1st of the Hurling in the night
 I passed her finest look of light
 and then in the evening the 1st
 the same the same her voice I heard
 her for the first time I saw
 her I never thought I was my heart in her
 she was again to me.

Can you get your pencil and paper
 and take a kind of sketch of this scene. While
 standing a statue in the bell tower. Since we
 have the place of houses for the and the school.
 I shall show his the Old Priest that I am my
 brotherings less all that I am. This is not of
 the world I have to do with the no less
 nor Gastail among us. I have seen
 I no what I no I no I no I no I no I no
 I I I I no what you no your I am
 any thing I now I just had much your
 you need not tell me your no the thing
 and that thing and the other for you I am
 no anything at all. So I shut up
