

We saw they were full mountains high with
 us up and down and we in the midst
 of dangers for fear our ship should founder
 But never be down hearted Boys we will
 be our gods again in spite of all our
 dangers we will follow the orderings
 of our men we will sail to all parts of the
 land with our men and none we will
 bring home with us and when Boys when
 we are at home we will make our
 home with the Boys when we are at home
