

Bridal Song

~~Let the hour of Beauty~~
~~the hour of Love~~

~~and a hope from the earth~~
~~and a smile from above~~

~~and a smile from above~~

~~and a smile from above~~

~~and a smile from above~~

~~and a smile from above~~

(Oh, sing again that simple song,
we need to love so long ago;
Ere, fortune's spite the cold world's wrong,
Hath taught us all that now we know
Ay breathe again that simple strain
Sweet to spirit's tempest-tost
For still to me its sad refrain
Seems sweetest when it pains me most)

Beware

(I know a youth, who can flatter and flatter
take care

He loves with ~~honey~~ ~~honey~~ to gossip and chatter
Beware beware
trust him not
he is fooling with thee)
