

England's Welcome

- 1 (This day my portals wide, I fling
Oh nations! and open hand
I greet you all who coming bring
A festival throughout the land
- 2 I greet you - from whatever shores
From where the Ganges billows toss -
From where Niagara torrent rars -
On Austral waves reflect
- 3 And nearer - where the turbid Rhene
On yellow tiber rolls along
From northern sea or southern main
I greet you whencesoever ye throng
- 4 yet must my words of greeting fail
The hand that forth should welcome hold
The lips that should have bid you hail
Alas! the lips and hand are cold
- 5 Thus nations with grief chested mouth
I bid you welcome here to-day
With solemn prayers for peace on earth
Good-will to men this first of May

Old folks say that huts did stand
where of olden played
so the fountain charming arched
near fountains were played
