

1820
Remarks on Sunday June 29th

This morning comes in with Pleasant weather. hoisted all sail to day. sent one boat a watering, served cables and softs. - Middle boat squally - got 2 Barrells water. hoisted sails. people went on shore. occasionally returned and caught a number of fish. - all boats ready to go a fishing. - squally as well. so ends this day 32 days out Port -

Remarks on Monday June 30th 1820

This day begins with tremendous gales at midnight went a drift - paid out all both of cables, and clinched the ends to the mast - still a drifting at last trot up - all hands employed in heaving cheer of Lee, the Lee coming in in abundance - trying to keep it off trying to keep clear with our oars. is still by sheering she repel. -

Middle boat more moderate - sent one boat a fishing - returned caught 100 fish - unmoored ship and moored her again. The Lee coming in again in abundance hove up our anchors and went into I W Cove in company with Capt Lewis moored ship and softs. - so ends the day with thick weather 33 days out Port

Remarks on Tuesday July 1st 1820
