

Thursday Dec 5 the first part squally all the afternoon the wind
was N. by E. and the waves ran high, but about the middle
quite made over for the fore part the wind hauled round so that we
ran S. by E. the latter part it was some squally but quite gentle
and good. Still more weather runs pleasant Sunday 6th part squally
all the afternoon at night quite calm heading S. by E. with light breeze
Monday 7th the first part very fine weather not much wind heading S. by E.
the latter part of the night some squally and some rain heading
S. by E. accompanied some rain here off the shore shifted and
we ran S. by E. with a stiff breeze Monday Dec 8th the first part quite pleasant
and good weather with light sail on heading S. by E. in lat 38. 32. 26. long 31. 4. 3
pleasant weather the latter part at 6 o'clock a squally shower
and it rained in torrents till noon Dec 9th the first part the wind
hauled and was squally all the day and night heading S. by E.
which was our course the 2nd part a good breeze the latter part
was and we ran S. by E. Dec 8th the wind was S. by E. and we ran S. by E.
the 2nd part headwinds and we ran close to the wind and S. by E.
S. by E. the latter part at sun rise the mate came forward and
saw eight or ten fathoms at seven o'clock a squally shower with
rained rain and a few minutes and the air became fair weather
and a fine breeze the rest of these 24 hours in latitude 38. 22. 11
Thursday Dec 6th first part
