Tuesday August 17th

This day spent with lying at anchor at daylight hoisted 2
 Boats Second & Third Mates about 12 o'clock Boats came
 along side had seen 4 different Whales and each one had
 a calf the Third Mate struck a calf but the iron came
 out. Second Mate struck one calf with point to him something
 the cow came up along side of the boat and he shot one bone
 lance in her and a few hand lances but no iron after
 that the iron came out of the calf and he started for the
 ship to repair his boat having lost the center keelson
 and split under at 1 o'clock hoisted 2 boats Mate and
 Third Mate went around the Island but saw nothing
 came along side at Sunset So Boats this day
