Let by O,

I Monday January 76th
Came in with calm and pleasant weather
 Latter part Gentle Breeze from the Southward
Shoring by the wind to the Eastward with all
Sail set to the Barce. Employed Beating the
main Tugging &c. The Egeen Islands
in sight to windward, plenty of hump
Backer and Blackfish in sight But no
Sperm whales rather a dull prospect for
this season I think it is best to go and fill
up with Right Whale and search for hump
whale Oil if brings a good price
