

Wednesday July the 18
Came in morning At 5 A.M. saw Whales first
But to know purpose saw the splashed Gutting
Middle part showing braces from the Eastward
Steering to the westward saw two whales East
part strong Gales saw eight whales two engaged
to Gear Craft two for the night under the East
raft main top sail took for sail runy At 6

Thursday 18
Throught this day strong Gales from the
Eastward Lying the under the East raft main
top sail took for sail runy but old strong
fidelity of whales cannot see for there
saw two ships Begging to Cook At 6

Friday 19
Throught this day strong Gales from the
Eastward Lying the under the East raft main
top sail saw 11 ships

Saturday 20
Throught this day fine weather with 11 heavy
sails At 5 A.M. saw 11 head whale took
him Young side Bay East him in Company
Begging At 2 P.M. Land for five our
but to know purpose saw two ships plenty
of whales suppose the whale to make 10 lbs
Sat Aug 24:30

Sunday 21
Throught this day fine weather At 6 A.M.
Hear the ships trident Captain place
And the Doctor went on board to take
Breakfast At 11 A.M. I think if they had
stayed on board of their own ships even
should get 11 whales At 10 A.M. saw
whales Land in Company they must
11 get fast but to on purpose
the spread in Company Begging
saw rather ships came out however
it is now 2 A.M. the Captain went
on board got to Cook Begging

Monday 22
Throught this day fine weather from 11:30
At 11:30 A.M. saw whales Land
But to know purpose employed strong three
ships in sight 150 Cords

Tuesday 23
Throught this day foggy North Gales At 2 P.M.
saw two whales Land they was eight whales
Land for there first to begin purpose
to Gales steering to the North At the Cooper
Hanging but this will show

Wednesday 24
Throught this day fine weather from 11:30
