Begins with a strong breeze from E. S. E. secondary is E
under all sail and expells a soon under part the storm
from E. S. E. at sunset squall in sail as usual later part at
daylight made sail S. E. and to S. E. and then day
H. C.

Began with a moderate breeze from all points off the horizon with thick and rain at 3 PM. ran in the top Suberit rails and left the top rail at sunset the from it I hoisted my E & E mutton part the river "relative" part the wind from S.E. at 6 PM. but by 7 PM I saw it to the west Suberit ² and, this day Sat 36, to
