Your remarks in Letter
rec'd some days since were duly notice?
as regards the Draft furnished for the Ship
I presume they intend to accept & thus
instead of discounting 4% for Cash

But that need not make any difference to you. I am wish to allow me the same rate of five cents I would to see it you

one account, The present scarcity
of money no doubt will warrant it.
You will please write me by return
mail whether you will allow me at
the rate of eight per cent per annum for
advances and I will endeavor to make
you a return.
