Being in haste when I
made up your a/c I made a mistake in
taking off your balance. It should have
been observed at the balancing of your a/c
on my ledger your true balance is 94.79
cents from 79/100 dollars yours in
Respect

Balance due you this day \$17.17. to your credit

Paid Sep 12. 1849

or for

You are at liberty
to value on me at sight for the amount
of your Bills of merchandise for Sep 5/29 for
Cash which you offered for letter of Aug 22/29
In weighing the first lot of merchandise
recd Sep 1/29 you made an error of 16 1/2 lb short
weight which I presume you will certify

I notice that your per Bill says that
you have sent 5 Coils 1 1/2 in but by some
mistake 3 Coils are but 1 1/2 in. I suppose
this is where the error originated by 4 lbs
of Coils

Yours in

Respect Mr Earle
