Mr. Nathl. Snow
Sir

Having none of your
favours to reply to and being desirous
of knowing if you have under any
alteration in your prices for Leith drink
I take this method of ascertaining

I understand from one of my customers
that he can procure in New York No 0
Leith drink for \$13 a barrel & 4% and
delivered in this place. I presume you can
furnish the article at as low prices as they
can in New York. I do not like to lose the
sale of the Quake by being above the market
price I wish you would write me what
your lowest price is for Leith drink and
allow me my commissions. Your
answer by return mail will be duly
appreciated

Yours in
