Lieut. Genl. to General
do do

Being under the necessity
of knowing something definite about your
going in the ship during this present voyage
I take this method of informing you
that we shall expect a definite answer
from you on Monday next 31 Inst by morning
mail whether you intend to take charge of the
ship this voyage or not - Should you
conclude to take charge of the ship this
voyage you will please mention what
your terms will be. as we are desirous of
having this question settled

If we do not receive our answer from you as requested above shall come to the conclusion that you decline to take charge of the ship this voyage and shall engage elsewhere

We have had some conversation with
Capt Nichols and we are under the
necessity of giving him our answer
on the day mentioned above as he has other
engagements afford him elsewhere
You will please give this due consideration
and answer as requested before by mail Yours in

You will please send
me a #3 Cabinet tin fixtures complete in
all the cooking apparatus should like to
have it here by tomorrow even if possible
as I can obtain it from R Road

I prefer ordering them as mounted
ask saves the expense of getting them in
the store and out again. And I prefer
keeping one of each size as samples

Done in treaty for the sale of 2 #2 -
in hunt we.
1 #3 Cabover tin fixings complete
