Yours of the 9th is at hand and contents noted.
As regards the credit standing of Messrs. Carr & Hobart would say that I have for a year or two past given them credit and that they have always been prompt in their payments to me when due.
As to their reports on liabilities I have no means of knowing, but as far as I know them consider them perfectly honorable in their dealings.
They employ from 15 to 20 men in their business at this time

In answer to your very letter dated the 3rd inst to value on me for the amount of your Bill against me to date by discounting 5% for Cash as per agreement I have been expecting the Spangum & charge for the oil and daily - I should expect the discount of 5% for Cash as it is no better terms than what I can purchase for elsewhere. I suppose you have forgot the Spangum altogether
