" " Sunday Accounts Dr to Advent to Stettin No 2 in
I am informed by J^s Salinger Succ^r that only
189 Casks of Whale Oil were received by Part^r
where the Invoice contains 191 Casks, and
they only account for 189 Casks of infant
that the two missing were together 300 gal.
for which the debit must have credit at
28 cts per gal which is \$84. and as I
cannot account for their loss in any way
suppose they were stolen or taken by mis-
take and therefore the owners of the
advent must be debited for their loss
Sam Rodman for 1/2 is \$42.
