

went with the original bill of exchange (a true copy
whereof is hereunder written) to the residence of George
Hobbs and the drawer therein named and threatening
with him requested payment of said bill which
he refused, saying, "I will not pay it." "I may
be in funds in a few days, perhaps tomorrow
and then it will be paid."

Whereupon I the said Antony at the request
afterwards did protest and by these presents do
publicly and solemnly protest as well against
the drawer and endorser of said bill as against
all others whom it doth or may concern for exchange
or exchange, and all costs, damages and interest
already incurred and to be hereafter incurred
for want of payment of the said bill. I have
also duly notified the drawer and endorser
by mail under cover to Joseph R. Williams
Constantine Mich and M. T. Curtis & Co Boston
demanding payment of them respectively.

In testimony whereof I have
hereunto set my hand and affixed my
seal at New York the day & years above written.
