July 1. 1850

Personally appeared Edward Emerson
master of the Ship Francis of New Bedford
and on oath declared that Henry L. Morgan
died on board said ship. That for some time
was discharged by mutual agreement at the
Marquesas Islands, and then being no Consular
Agent of the United States at those Islands, no
certificate of such discharge would be obtained
thence that Samuel Hayes was discharged at
the Bay of Islands, New Zealand, by his own
consent, and with the consent of the Consul
of the United States, but that his name appears
to have been omitted by said Consul in this
certificate of the discharge of Hayes before him.
