Remarks

In 1868 had 20 feet of ceiling taken out in hole for the purpose of examining the timbers. Ceiling re-fastened. Had two large extra clamps from byt-head to bulkhead under the deck frame. Had two pointers put in forward of the fore mast the palm was all done at Harris, France. In July 1869 caulked all over bottom sheathed and coppered. Deck put in fair order. Two new masts rigging all in good order.
