

March on mellish's bank, say 15 days in
a gale of wind, spoke the crown princess,
of Hemmer, steam from the Sandwich Islands
3200 cbb of the last season, spoke the
Panama Say Harbour 1500 and hearing
of 750 nothing this season. Struck a
whale to the starboard boat, and the first
iron cut the line off. We then started
for the coast of Kamshatka. in the lat
46:30 long 163: to 164:30, saw whales
got one to the starboard boat, fastened
to one to the Waist boat, and drew
the iron to another to the larboard
boat and drew the iron
all of April and to the 20th of June
gales of wind and snow storms
Spoke the Gideon Howland NB Nothing this
season heard from three whales
