

Kiss our dear daughter tell her father is a long
ways from her and she can sleep with
Mamma now tell her I have found her little
brother and shall take care of it and bring
it to her when I return she must be
a good girl and mind her mother and
her father will love her for it. We are home
13 days from home haven't nothing the 4 day
out we had a hurricane it blew a bout
12 hours it did some damage altho we were
well prepared for it as our good seamen
crew would allow of I slept none that
nite Wife try if possible to keep on friend.
by terms with our family if you consider
me they all love me and love them
for my sake you must forget & forgive
we are all liable to fail in some things
I hope you have got clear of your
burthen by this time I have I don't about
you 6 or 7 times since I left home
and little sis likewise I don't seeing
you all dressed in white and seeing
poor Father sick if either of them
are sick see that they do not suffer
for any thing. could you see me
this moment writing you would
say he shall get to sea no more I
want this voyage very much or I would
have never came be prudent as you

if there is any money comes from the church give
him the whole
