

to go again I think you will consent & it will save
not but you no there is three children to be educat
ed and the family expenses will be no less for some years
as I hope this will right in your last letter I wrote a few lines
to her in your last

Again July 19th 1855

Lusan we are now getting water and
board quite & hauling I want 200 lbs of
fill and then for the island the governor
interpreter is waiting for my letter so
I must be in haste

I have Capt Williams
Lady & two small children on board
and time passes much more pleasant
I have taken 1000 lbs this season

Kiss all the children and give
them my best love
