

you I feel anxious about you all & would like
to be with you the coming winter and perhaps and
I may be before the winter is pass, if I do not I
sell or ship oil, I shall be at home in January for
of which I can inform you in my next letter. For
my ship is solid full of oil with my Bone on Deck
and all my Provisions and I think as it is so early the
in the season that I can get 300 or 400 over to New a
of Zealand and get home in May or June it a
Susan what will you say when hear of the unborn I have
anate woman I have on board with two little ch. soon
children who over ship week, I on the 7 of June on receiv
Cape Senenston in the Beholok Sea I will give a
you a little bit of a history she was in the ship son
Jefferson with her husband the master she have
had one child 11 months old and one 3¹/₂ years old as in
out the age of our two youngest only think of the in
privation of those little children & of herself but ~~the~~ with
I have made them as comfortable as circumstances find
will admit of her name is Mary Williams and belongs can
to the city of New London. I got 300 barrels of oil &
2000 lbs bone and a few new sails

Susan I have got your letters and one
you may imagin me reading them with the letter me
close to my eyes and devouring like an hungry arle
man but Susan I was sorry you have try'd to do it
your work by and get some one to help you I need
