

and there is not anyone in these
parts, that can fix it, but was the
Chronometer at home it could be put
right for a very small sum —
but there is not an instrument maker
nearer than the Isle of France, & to go
there, I should lose the season on
the West Cape ground which I must
not, do

The amount, I have on
you is \$223.00,

J. Lunt, H. Co. much

I have lost one Bird and
one to the English bird, which
my husband I will give
