you must give my love to Mrs Caroline Harding. tell her I
often think her. ~~and think of her~~ and think she here ought
to be at sea. with her husband. as I think she would enjoy
it so well. I suppose ^{by} this time Carrie has gone.

Susan I left some ~~meat~~ barrels and butter tubs. in Mrs
Maghens cellar. I wish you could have them brought. to your
house. and do with them as you see fit. Cynthia knows
where she put them. and I don't want they should be in
Thomas Worth's way. my love and best wishes. to Father
Mother. and all the rest of the family. Kiss all the children
for Aunt Clara. so I will close by bidding you good bye
for the present.

from your Sister Clara
