

W^h Monday June 13 1847

Comes in with light breeze but heavy. At 2 P.M.
Saw whales heard but to see purposes At 10 P.M.
Saw Again the west boat struck and
killed took him blowing side At 9 P.M.
Finished cutting but the watch for the
light saw three ships so ends the day
All night in good

Tuesday 14

Comes in with strong breeze At 1 P.M.
Commenced baying saw whales heard the
boats three times but to see purposes saw one
ship so ends with heavy weather I am
sleeping I hope better luck to morrow

W^h Tuesday 15

Throught this 24 hours fine weather At 12 M
Saw whale heard the boats the boat
struck and killed got one boat stuck
took him blowing side and sent the watch
baying fine prospects good so ends one ship
in sight

Wednesday 16

Comes in with light breeze with a heavy At 1 P.M.
Commenced cutting strong breeze At 11 M heavy
Gales parted the flock up Deared of 10 times
Lashed down plenty of rain and so must be
Later part more moderate it this don't but
A few fellow in mind when he was last
year at this time then nothing more
Show us out of this once more more
Themselves here so ends with a great success

Thursday June 17 1847

Comes in with strong breeze with squalls At 1 P.M.
and a heavy swell At 4 M more moderate
finished cutting later part pleasant baying
so ends suppress the whale to make 150 lbs
Good

Friday 16

Throught this 24 hours fine weather baying
saw nothing but finbacks so ends

Lat by 11 54:15

Long by 11 44:01

Saturday 17

Comes in with heavy weather saw plenty of
finbacks saw a hundred and 24 months
from home 300 thousand later part labor baying
Lat by 11 54:15

Sunday 18

Throught this 24 hours fine weather finished
baying At 11 P.M. saw whales heard but
to see purposes saw two ships baying and cutting
pleasant this day later once in mind when
I was last year about this time I was good
if I thought saw some the whales turned
up 225 lbs so ends Lat by 11 54:15

Monday 19

Throught this 24 hours light breeze and squalls
the watch employed strong down later part
saw the ship time of 200 thousand 21
months out 12 hundred lbs so ends

Lat by 11 54:16
