Thursday May 17th 1864

Watering
Watering ship

This day a light breeze from
W. at daylight hove up anchor & made sail
& got the Starboard overhead boat out and came
the stern, having a fair tide made considerable
Progress to the town or port of Sarnati. At 8 AM
Let go the Starboard anchor of the town about
160 rods from the shore, was boarded by the
Harbor master who was of Dutch descent &
Could speak some English who read the
Rules of the port to the crew, sent on shore
and stayed until 12 O'clock.

May 20

This day light sea breeze setting in at daylight
Called all hands and made preparation for getting
Water, after breakfast 2 men with a cask went
on shore with 15 cask filled them and have
them on board at 12 O'clock, filled them at
Mr Dickenbottoms well
