

Barge Sea Breeze

1844
Tuesday

This Day Came with strong winds
from the N.E. by steering W.S.W.
at sundown. Hauled in the main
sails and double reefed the topsails
for the night

of New Bedford

Letter dated Aug 21 1844

Dear Wife I received a letter
from your Mr. Housar the recent
mate of the barge Cleome of New Bedford
the 20 day of Jan 1846 off the Galapagos
Island and had a gam with him
and heard all the news they had 150 spinn
on board they was 4 months out
and was very thankful to see him
I heard of your dancing and romping
and so forth and stoping in New
