Cala Sep 17 46.10 25.00 } Took 150 Sperm
" 19 45.48 25.10 }

All about the Azores at change of moon. particularly around Graciosa & Terceira we have been fortunate.

Just a day or two before getting to Tenerife vessels have taken a good deal of oil. NW of Cape Verde & to S of Cape Verde and all down coast of Brazil especially near Trinidad

Canton 1875. South Coast of New Holland.
