August 1st 1761 — Bartha Wyat Ex[x] of James Wyatt ..... Dr.

To the Deceased's Estate then Accounted for £294. 12. 7

N.B. As Jas Wyat was adm[r] Dbonis non of John Wyat and the 91. 11. 7 is the whole Ball due on his Estate & whether the Widows thirds ought not to be deducted but as Records not Appear to the Office that the Widow ever had any other Children & married again I thought it immaterial whether I deducted the 1/3 or not as the Children that were entitled to John Wyats Estate were also entitled to whatever might have been the Widows Estate
