

DECEMBER, MONDAY 18. 1871.

Breakfast $7\frac{1}{2}$ Moderate.
Assisted some tobaccos, cutting
wood Lewis hauling - 4 loads
home, and one load to Arnold.
Rode to Pavilion to see Price's
Tobacco. I think his tobacco good
for my rent for 1871. He will
leave as he says 40 lbs even
in the stable left as additional
security for rent.
