

Thurs. 32

JANUARY,

SUNDAY 20.

1884.

B. 7½ cloudy a little snow.

I am no better of lumbago,  
or pain in my loins.

George Lancaster appears  
better, but improves very slowly  
if at all.

Martha went to church a  
small congregation.

P. M. Marshall & boys came  
down. Doris & Ben also,  
& took supper. Hilton I a short  
time. Doct. B. came to see  
George. says he is mending.

Two of my sows had  
pigs last night - one had  
11 & the other 8

Put a Bensons plaster  
on my back to night
