

136½ Very cloudy. a little
mist; but it cleared
~~away~~ Two of my force
Ferrall & Woodland went
to Waterloo to prepare for
drilling wheat there.

Did not drill any, but
harrowed over some for
drilling tomorrow.

Dug remainder of my
sweet potatoes by Henry
Blackstone & Walter.

Carried 20 bushels of
wheat to Waterloo, and
carried home my part
of short corn - about 6
bushels.

Finished off fodder
house at ~~large~~ barn
yard, & got a load of manure
