

JANUARY,

FRIDAY 2.

1891.

137 A mild day

Threshed corn in barn
and hauled corn in the
shuck from the far barn
shed, to my home barn

I threshed some corn
& shopped some tobacco
Hired Sam Green & Blower
for a whole day, and
Frank Sims $\frac{1}{2}$ day.

Old age is not so
much a matter of
years. Every one should
grow wiser, each year,
and the flight of years
should have no influ-
ence on the heart; and
should not make a
man as old, simply
by his years.
