I left home for C. Hall  
at 8 A.M. taking my  
grand son Walter with  
me - a very cold drive.  
Stopped in Mechanicville  
until train arrived, &  
to see Rev. Mr. Braddox.  
Arrived at C. Hall a  
little after 11 o'clock.

Took a look at the new  
School Building. It seems  
to be very substantially  
built, and will be fine house.  
Trustees met, and heard  
reports from building com-  
mittee, & finance committee.  
Finances in a muddle  
on account of the inepti-  
tude, or malfeasance  
of the Treasurer, who re-  
signed. His resignation  
not accepted, but his Treas-  
ury steps suspended, for fu-  
ture action.
