Dear Mr Dent;

As the parents of some
of our pupils do not understand why
I am requiring permits for the girls to
go home I write so that you will
understand the matter.

The school allows two weeks holiday,
as you know, and arranged as our boat
schedules are in order to let the holiday
take in Christmas day and New Years day
we begin the holiday Mon, Dec 18th
(The Balt. boat goes up then) and re-open
Wed. morning, Jan 3rd (boat arrives from
Balt. that morning). Should we dis-
miss school later than Dec 18th some
of these girls going via Balt. who
have to take Eastern Shore boats to go
home could not arrive then in
time for Christmas eve.
