

seven last night. Eddy ⁴⁵⁰ enjoyed
the day so much. She has been talking
about it ever since! Mama and all have
gone calling but of course
I had to stay home on
account of rheumatism.
Mr Turner is going to give
us service tonight. We
are so glad. Tell the
girls and boys too. to
come to the dance to-
morrow night. I'll be so
disappointed if they
don't. Give my love to
everybody. Get Mr Duet
to bring you down real
soon. Please thank the
girls for their sweet
presents and thanking
you again for yours.
I am with much love
Sunday Morn. Yours lovingly
Ruth.
