Mr. Col. Dent

DEAR SIR:

I having become acquainted with you from character, and wishing to get my Pamphlet in circulation immediately, do hereby send you a copy, which I hope you will carefully read, and consider well the object for which it was written—to arrest the further progress of this terrible civil war, and to speedily bring about a reconciliation between the two sections.

The extent of circulation by this plan will, of course, depend upon the success with which it meets. Therefore, should you think proper to contribute to the Union cause the sum designated as the price of the inclosed Pamphlet, it would be thankfully received. Please acknowledge the receipt thereof immediately.
