

473  
man meet Fannie in Wash-  
ington? I must close now and  
look after dinner. She is busy  
about other work. I have just  
helped Ma to dress and she is  
now taking a milk punch.  
I think she is better. We hope  
uncle Doc is feeling very much  
better. Ma & Sis join me in  
much love to you both.  
your aff. niece  
Jennie Townsend.

P.S. I will enclose this  
part of Jennie's letter, to let you see  
how she thinks of it.
