My Dear Sir

Rockland Dec.r 29th 1828

Your Letter dated the 1st day of Decbr came to hand by mail to day and will account to you for my Cash, wishing to ascertain from you the Quantities &c of the stuff sent me - your Letter, which ought to have come to hand nearly a month past, has afforded perfect satisfaction - Your pricing I shall do which may be depended on - I will endeavour to make sale of subject to your order at the time the Sloop arrives delivered - I will endeavour to make sale of the Plane for you, and you will accept my best thanks for the small Plane - which favor I am sure you will be pleased with - since last writing you I have examined the most of all of them - The Eldest struck several of us, from the Eternal appearance of the Plane, at a little distance, and gives us to the close examination after given, as having a little of the Maine town in him - We are pleased with the Plane, it is well calculated, I think, for Negroes & Steamboating - I shall attend particular
