Political party that have their Secrets

We of this State at our last election were strong for the General, how we shall be at the next (the 1st Monday of April) its impossible to say, but I do not believe the Collar party have a Majority in the State

I have been peculiarly unfortunate with my thorough brige Durham Short horn'd Cattle within 18 months have lost a full blood Bull 2 years old, a pair of twin full blood Bull Calves, & my only full blood Cow, & 3 years ago I lost an Imported Heifer. I have now quit breeding thorough bred Durham Short horn'd Cattle. I believe I wrote you that the Lungs finish'd my last full blood Lot of Calves

Two years ago I purchased Winters Arabian because I thought him a Superior animal & expected I might possibly improve in this vicinity the breed of Horses & at the same time make something by him I put him at 15 Dolls the Season at my own Stable & would not vary the price - as the Country was full of Cheaper Horses, he had but few mares - If he Could have the best of mares I am Certain he would improve the breed of any race of Horses, his Colts are as large as from any other Horse from the same mares. He is Vigorous & a Sure getter -

He is the only Steel Horse I ever owned I had two fine Colts from him last Season but have no mares of the right Cast for breeding -

If I Could exchange him for a blood
